The Canonry Benefice acknowledges its duty of care to safeguard & promote the welfare of all adults & children & is committed to ensuring safeguarding practises reflect statutory responsibilities as well as Government & Diocesan guidance thus complying with best practice. Our policy recognises that the welfare of adults & children is paramount. Regardless of age, ability or disability, gender reassignment, race, religion, sex or sexual orientation & social economic background everyone is welcome.

Safeguarding and Lone Working:

lone working policy ensures the safety and well-being of employees who work alone, giving guidance on how to stay safe what to do in emergency situations. If this applies to you, please take a moment to familiarise yourself with key steps to take when working alone and endeavour to always work in pairs if possible.

Safeguarding questionnaire: INEQE Safeguarding Group have been commissioned to conduct Independent Safeguarding Audits of the Church of England to make sure dioceses and cathedrals are doing all they can to create environments where everyone feels safe, valued and respected. As part of the audit process for Canterbury, INEQE hope to engage with parishioners and members of the parish community through an online survey which will act as a mechanism through which individuals can comment on any matters relevant to the Audit's focus. The survey is both anonymous and confidential. The survey results are received directly by INEQE's Audit Team and not by the Church of England. The survey will close at 11.30 pm on Weds 2nd September. To access the survey relevant to you please use the QR code below or visit:

Keep on shining!

Sunshine often lifts our spirits and brings joy, reminding us of God's goodness. Just as the sun keeps shining, so do our churches. Keep an eye on diary dates!

We wish all our congregations and volunteers an ongoing good summer whether away, at home, with family, friends or simply enjoying one's own hobbies and interests. But overall, some pauses for rest!
